

Another night, another chase

Dressed up, hair`s done
High heels and lipstick on
Short skirt, wonderbra
Tight shirt and mascara

Lot of rouge, lot of gold
Passionate with a heart that`s sold
Diamond rings, good smell
Number one with Number 5 of Chanel

Ooooooh, the chase is on
One more night where she takes the run

**She`s a vamp
She`s a man – eater
She hooks the boys as she wants
Hoping that it`s not too late
She`s a vamp
She`s a man – eater
And she hopes that a gigolo takes the bait**

Shy look, at the bar
Champagne and caviar
Eyes scan, everything
Searching for a man without a ring

Ooooooh, the chase is on
One more night where she takes the run

**She`s a vamp
She`s a man – eater
She hooks the boys as she wants
Hoping that it`s not too late
She`s a vamp
She`s a man – eater
And she hopes that a gigolo takes the bait**

*She is ready for the night
Dancing under the neon light
She is ready for a man
Likes to do it again and again.. again..again..again*

**She`s a vamp
She`s a man – eater**
