

## Why don't you

Why don't you answer, why don't you call  
Why don't you either stick to me or let me fall  
I don't know, tell me why  
I don't need your alibis

Why do you lie  
Why don't you tell me how it is, don't let me wait  
You hesitate, and I hate  
The game you play.. let me say

**Whatever I do, I do it for you  
To make you happy `n everything we`re going through  
Whatever I do, I do it just for you  
Every night, every day, every moment on our way**

Why don't you go for me  
Why do you hide  
Why don't you either go to the left or to the right  
I don't know, tell me why  
I don't need your alibis

Why don't you try  
Why ain't you the one who brings the ball into play  
Let me say, either way  
Is better than standing in the rain

**Whatever I do, I do it for you  
To make you happy `n everything we`re going through  
Whatever I do, I do it just for you  
Every night, every day, every moment on our way**

*I don't like walking like a blind  
Searching for what`s nowhere to find*

**Whatever I do, I do it for you  
To make you happy `n everything we`re going through  
Whatever I do, I do it just for you  
Every night, every day, every moment on our way**
